More creative ideas and helpful tips

Julie says ...

- Share the COVID-19 resources from the World Health Organization (WHO) with families.
- Read McLane Children’s *The ABCs of COVID-19* in the learning environment.

Elana says ...

- Watch the video posted on the Facebook page of Child Life Disaster Relief.

Emily says ...

- View CHEO’s *Superheroes Behind the Mask* video with children. Use the hospital’s visual story as inspiration for one you can create at your own centre.
- Explore the Association of Child Life Professionals’ COVID-19 Resources page.
- Visit SickKids’ COVID-19 Learning Hub.
- Share Sesame Street’s “Caring for Each Other” with your learning community. And use these resources in the learning environment.
