

## More creative ideas and helpful tips

- Share the <u>COVID-19 resources</u> from the World Health Organization (WHO) with families.
- Read McLane Children's <u>The ABCs of COVID-19</u> in the learning environment.

## Elana says ...

• Watch the video posted on the Facebook page of <u>Child Life</u> <u>Disaster Relief</u>.

## Emily says ...

- View CHEO's <u>Superheroes Behind the Mask</u> video with children. Use the hospital's visual story as inspiration for one you can create at your own centre.
- Explore the Association of Child Life Professionals' <u>COVID-19 Resources</u> page.
- Visit SickKids' COVID-19 Learning Hub.
- Share Sesame Street's "<u>Caring for Each Other</u>" with your learning community. And use these resources in the learning environment.
