Special Presentations

Because it's 2017: RECEs as Professionals and Leaders

Members of the College's Executive Leadership Team will address the topic of professionalism from several lenses, including practice readiness, professional regulation, continuous professional learning and leadership.

The panel will feature the following speakers:

- Beth Deazeley, LL.B. – Registrar & CEO
- Melanie Dixon RECE, OCT – Director, Professional Practice
- Cynthia Abel RECE – Director, Registration & Member Services
- Marc Spector LL.B. – Director, Professional Regulation

Early Human Development: A Case for Equity from the Start

Dr. Jean Clinton, Clinical Professor from the Department of Psychiatry and Behavioural Neurosciences at McMaster University, will be speaking about why early childhood educators play a key role in building a Canada fit for children.
