## **9. NOMINATIONS**

9.01 The Registrar shall supervise and administer the nominations and elections. Without limiting the generality of the foregoing, the Registrar shall set the deadline for returning nominations to the College.

9.02 The Registrar may enter into an agreement or agreements for the purpose of the election, including, without limitation, for the purpose of using electronic means for the nomination of candidates, for voting and for counting and recounting results.

9.03 At least one hundred and twenty (120) days prior to the date of an election, the Registrar shall send, to each member eligible to vote, notice of the deadline for returning nominations to the College, the deadline for returning biographical summaries and candidates' statements and the date of the election, and notice of how such member may obtain access, by electronic means, to information regarding the nomination procedure, a nomination form, a biographical summary form, a candidate's statement form and an agreement regarding the duties of a Councillor.

9.04 A completed nomination and the agreement referred to in section 9.03 shall be in writing in the form provided by the Registrar, shall be signed by the candidate and shall be received by the Registrar no later than the deadline specified in the notice referred to in section 9.03.

- 9.06 At least fifteen (15) days prior to the date of an election, the Registrar shall send, to each member eligible to vote, notice of how such member may obtain access, by electronic means, to a ballot and the following information:
- (a) a list of candidates in the Electoral District in which the member is eligible to vote; and
  - (b) an explanation of voting procedures.
- 9.07 In addition to any method of giving notice permitted under the Act or By-laws, a notice or document to be given to a member of the College under this By-law is sufficiently given if it is sent by e-mail to the e-mail address of the member of the College last recorded in the records of the College.
- 9.08 Notwithstanding anything to the contrary set out in this By-law, if a member of the College has not provided an e-mail address to the College, there is no requirement for the College to send any notice or document referred to in this Article 9 to such member.
- 10. ESTABLISHMENT AND EXECUTION OF ELECTION PROCEDURES**
- 10.01 The Registrar shall, from time to time, determine the procedures to be followed in carrying out an election and shall inform the Council of such procedures. Without limiting the generality of the foregoing, the procedures shall provide for the use of electronic means for voting and for counting and recounting results.
- 10.02 The Registrar shall ensure the election procedures are carried out. Any decision made by the Registrar under this By-law shall be final and binding.
- 10.03 Disputes as to whether a member is eligible to stand for election to Council or vote in an election for Councillors will be determined by the Registrar. The Registrar may refer a dispute to the Executive Committee for advice, but the decision made by the Registrar shall be final and binding.
- 10.04 The Registrar shall set the date for each election and shall inform the Council of each date so set.
- 10.05 In the event of an interruption in postal service, error made by Canada Post, or interruption in a means of electronic communication, the Registrar may take such steps as appropriate including, without limitation,

- (a) the extension, or abridgement, for such period or periods as the Registrar considers reasonable in the circumstances, of any time period set out in this By-law;
- (b) the extension of the period for voting; and
- (c) the setting of a new date for the election of members to Council.

## **11. ELECTIONS**

- 11.01 Voting for candidates for election to the Council shall be by ballot cast by electronic means. The ballots used for voting shall be those provided by the Registrar. The procedures for voting shall be such that reasonable efforts are made to ensure that any records that connect the name of a member who casts a vote and the vote(s) cast by the member remain confidential and are only used to the extent necessary for the purposes of voting and counting and recounting the results.
- 11.02 Members may cast as many votes in an election of Councillors as there are members to be elected as Councillors in the Electoral District in which the member is eligible to vote. A member shall not cast more than one vote for any one candidate.
- 11.03 If a candidate, who was eligible for election at the time of nomination, ceases to be eligible for election on the date of the election, all votes cast for that candidate are void and shall be deemed to be rejected votes.
- 11.04 If there is a tie vote, it shall be broken by the Registrar, by lot.
- 11.05 If a candidate dies or withdraws from nomination for election prior to the date of the election, all votes cast for that candidate, if any, are void and shall be deemed to be rejected votes, provided that, if the remaining number of candidates nominated in that candidate's Electoral District is equal to the number of members to be elected in that candidate's Electoral District, the Registrar shall declare that the remaining candidates are elected by acclamation.

## **12. ELECTION RESULTS**

- 12.01 As soon as practicable after each election, the Registrar shall notify each candidate of the results of the election and of the number of votes cast for each candidate in the candidate's Electoral District, other than a candidate referred to in section 11.03 or section 11.05. The Registrar shall also advise each defeated candidate that a recount may be requested.
- 12.02 Unless there is a request for a recount, the Registrar shall declare the candidate (or candidates in the case of Electoral Districts 1, 4, 5, 6, and 8) receiving the greatest number of votes in the Electoral District to be elected.

- 12.03 A defeated candidate may request a recount by giving written notice to that effect to the Registrar within five (5) days after being notified of the result of the election. A request for a recount shall not be effective unless it is accompanied by payment of a recount fee of \$250.00. The recount fee shall be returned in full to the candidate if the recount changes the election result and the candidate is elected.
- 12.04 A recount shall be carried out in accordance with the procedures set, from time to time, by the Registrar. If on a recount, the tie vote on the original count is unchanged, the result of the action by the Registrar taken to break the tie on the original count pursuant to section 11.04 will remain unchanged. If on a recount there is a different tie vote, it shall be broken by the Registrar, by lot.
- 12.05 After the recount, the Registrar shall declare as elected the candidate who received the greatest number of votes in the recount for the Electoral District with respect to which the recount was held.
- 12.06 The Registrar shall cause all ballots cast by electronic means to be destroyed thirty days after the candidates are notified of the results of the election, unless a recount has been requested in accordance with section 12.03, if applicable, or a candidate challenges the election or its results.
