

Consideration of Alternative Documents Request Form

To complete this form, you must download and save a blank copy to your computer. Close your Internet browser and open the saved copy from your computer files. Now you may print off a hard copy or enter your information electronically.

The College understands there are unique circumstances that may make obtaining required documents difficult, but also recognizes that there must be satisfactory evidence to support an application for a certificate of registration. This form is for applicants who are unable to obtain the required documents and are requesting that the Registrar considers alternative documents, under the College's [Policy Regarding the Consideration of Alternative Documents](#).

Please review the [Alternative Documents Request Guide](#) to confirm that this form applies to you.
